

Action Plan

Looking Back...Looking Forward...Moving Forward

Celebrations: Darwell School is a safe, caring, welcoming and respectful school that has strong student and community connections.

Connection: Darwell School will continue to build connections within the school community so that all students can be successful and feel safe and welcome.

Process :

- Students matched with a staff member for regular check-ins
- Success Coach groups to support independence in navigating social and emotional challenges
- Reintroduce and add events and activities that support student learning

Authentic Application:

- Weekly Collaborative Team Meetings
- Assurance Survey grades 4 and 7 March 2023
- Daily Snack Bowl to ensure students have their physical needs met and are ready to learn
- Continue assemblies and options and add student-led conferences

Reflection :

Celebrations: Darwell School is building a strong culture of math.

Connection: MIPI results will continue to improve.

Process :

- Having students and teachers use consistent math vocabulary
- Deep analysis of screening data to inform planning and intervention
- Establish a grade level inventory of strategies

Authentic Application:

- Review new MIPI and numeracy screen for K-3 data in October 2023
- Share grade-level math vocabulary after review of JUMP math resources
- Participate in World Math Day in March 2023
- Participate in CEMC Math Contest in May 2023

Reflection :
